Answer calls · Follow up fast · Book the slot · Win back

Aria · A caller rings after hours and wants an appointment

Hi, are you open Saturday? I need a check-up.

We are, from 9 to 1. I have 10:15 or 11:30. Which suits you?

10:15 please.

Booked for Saturday at 10:15. I'll text you a reminder.

EXAMPLE CONVERSATION, NOT A RECORDING

LIVE DEMO

Talk to Aria yourself

Speak to the agent from your browser. Ask it to book you in. No sign-up needed.

Start the voice demo or book a call

STACK

OpenAI	Vapi	Supabase	Next.js
FastAPI	Cal.com	Resend	Twilio

Built on tools you already trust. Fixed scope, fixed fee.

SERVICES

From the first ring to the booked slot, one agent for each job

01

Voice agents that answer every call

Picks up in one ring, in the caller's language, and never puts anyone on hold.

How it works

Call answered · EXAMPLE

Hi, I'd like to book a cleaning this week.

Of course. I have Thursday at 10:30 or Friday at 2.

Thursday works.

Answered in 1 ring · 00:42

02

Follow-up in seconds, not days

Every enquiry gets a reply while the lead is still looking at their phone.

How it works

New enquiry · EXAMPLE

Do you have any appointments left today?

Yes, 4.15 pm is open. Want me to hold it for you?

Yes please.

Replied in 8 seconds · SMS

03

Bookings straight into your calendar

The agent checks real availability and books the slot, with no back and forth.

How it works

This week · EXAMPLE

Mon Tue Wed Thu Fri

Booked by Aria, Thursday 10.30

04

Reactivation of lapsed customers

Quietly reaches out to people who stopped coming, and brings the right ones back.

How it works

Lapsed customers · EXAMPLE

Last visit 8 months ago	Returned
Last visit 7 months ago	Replied
Last visit 14 months ago	Returned
Last visit 9 months ago	Contacted

05

Reporting you can read in a minute

Calls answered, slots booked and revenue recovered, in one plain weekly summary.

How it works

Weekly summary · EXAMPLE

Calls answered	Slots booked	Missed
128	43	3

MANIFESTO

A conclave is a closed room where a small group reaches one decision. We convene small, specific agents the same way: each with one job, working together so your business never misses a call.

PROCESS

Three steps, no surprises

001

AUDIT

We listen to a week of your calls and find where revenue leaks.

002

BUILD

One agent, one job, wired into your phone line and calendar.

003

RUN

We monitor, tune and report every week. You keep the results.

DEMOS

Try it before you talk to us

LIVE

TALK TO ARIA

A live voice agent. Ask it to book you in.

LIVE

CONVENE

A 60-second game. Answer every call before it goes solid.

PRICING

Start small, scale when it works

PILOT

FAQ

Frequently asked questions

Will callers know it's an AI?

What happens when the agent cannot help?

Does it work with our calendar and booking tool?

How is a perfect or customer data handled?

How long until it's live?

HEAR IT. THEN BOOK IT.

A short call. We listen first and you hear exactly what an agent can do.

A Aria — A caller rings after hours and wants an appointment

Hi, are you open Saturday? I need a check-up.

We are, from 9 to 1. I have 10:15 or 11:30. Which suits you?

10:15 please.

Booked for Saturday at 10:15. I'll text you a reminder.

EXAMPLE CONVERSATION, NOT A RECORDING

LIVE DEMO

Talk to Aria yourself

Speak to the agent from your browser. Ask it to book you in. No sign-up needed.

Built on tools you already trust. Fixed scope, fixed fee.

SERVICES

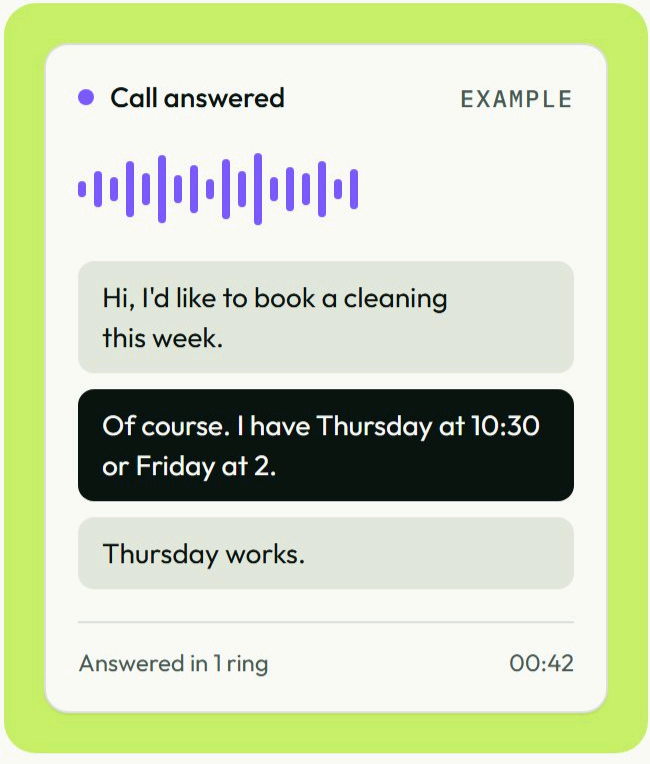

From the first ring to the booked slot, one agent for each job

01

Voice agents that answer every call

Picks up in one ring, in the caller's language, and never puts anyone on hold.

How it works

02

Follow-up in seconds, not days

Every enquiry gets a reply while the lead is still looking at their phone.

How it works

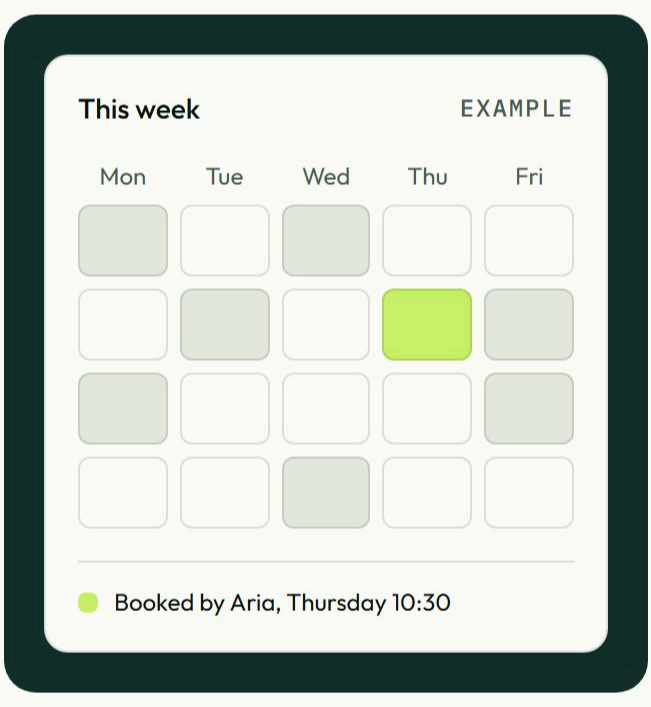

03

Bookings straight into your calendar

The agent checks real availability and books the slot, with no back and forth.

How it works

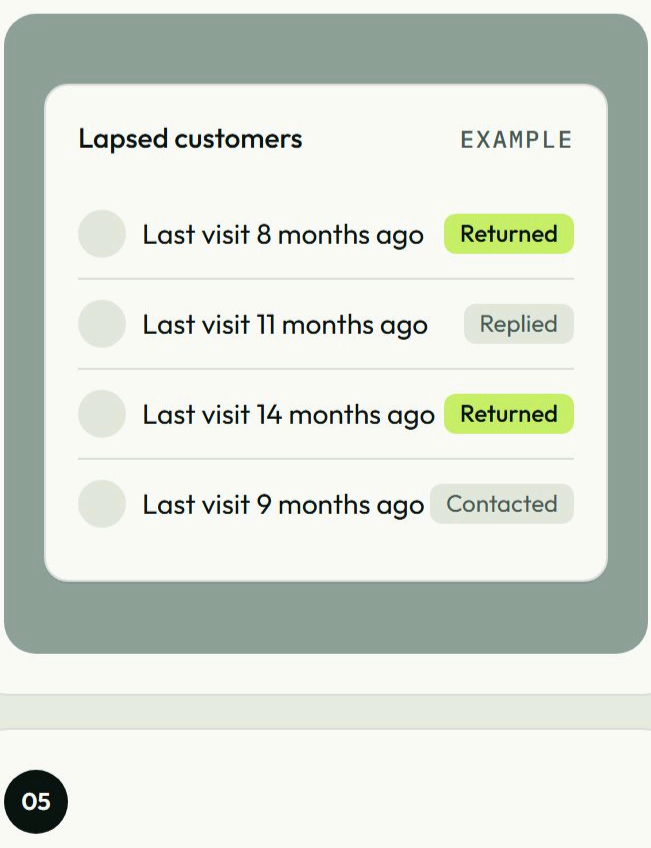

04

Reactivation of lapsed customers

Quietly reaches out to people who stopped coming, and brings the right ones back.

How it works

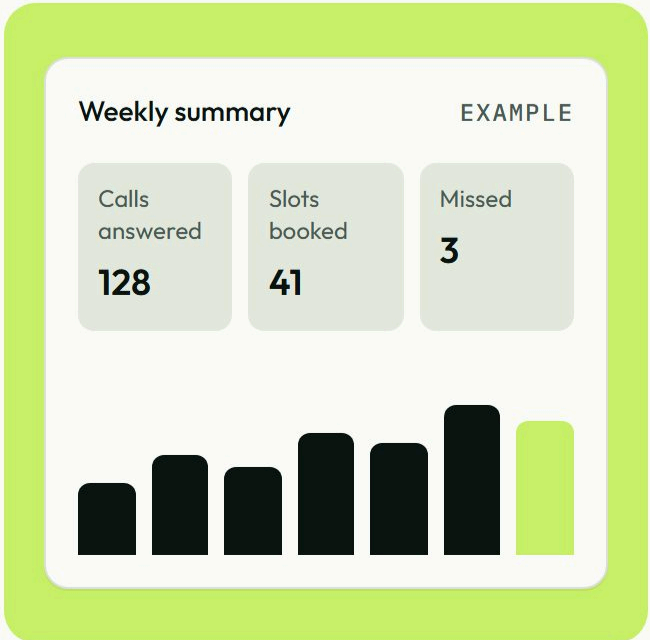

05

Reporting you can read in a minute

Calls answered, slots booked and revenue recovered, in one plain weekly summary.

How it works

MANIFESTO

A conclave is a closed room where a small group reaches one decision. We convene small, specific agents the same way: each with one job, working together so your business never misses a call.

PROCESS

Three steps, no surprises

001

AUDIT

We listen to a week of your calls and find where revenue leaks.

002

BUILD

One agent, one job, wired into your phone line and calendar.

003

RUN

We monitor, tune and report every week. You keep the results.

DEMOS

Try it before you talk to us

LIVE

TALK TO ARIA

A live voice agent. Ask it to book you in.

GAME

CONVENE

A 60-second game. Answer every call before it goes cold.

ABOUT

AGENTS, CONVENED.

A conclave is a small group, in one room, reaching one decision.

Fixed scope

You know what you get and what it costs before we start.

One job per agent

Small agents are easier to test, trust and fix.

Product later

What we repeat for clients becomes software.

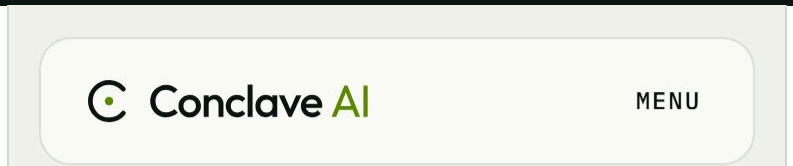

TEAM

Team profiles to be added.
